

Adventure tours that delve deeper

## Four-day Tambopata adventure

**TRIP LENGTH:** Four days  
**STARTS AND ENDS:** Puerto Maldonado

*Do you like seeing animals and birds in their natural environment? Enjoy spending time on the water? Like the idea of exploring the Amazon Jungle? Then you'll love our unique, action-packed jungle adventure!*

*This trip is very family friendly and highly recommended for kids of all ages!*

### Day 1 Our Amazon adventure begins!

Today we'll make the incredible journey – by van, plane, and dugout canoe – to pristine Amazon rainforest outside Puerto Maldonado. The irrepressible life all around you, with buzzing insects, flocks of birds and monkeys, and plants growing so fast you can almost see it happening, lets you know immediately that you've come to a very different world. The feeling that you've stepped into another dimension is enhanced when you find yourself spending the evening spotting caimans (freshwater crocodiles) from a boat on a jungle waterway!

**Accommodation:** Remote lodge in the Amazon jungle

**Meals:** Lunch and dinner included

### Day 2 Macaws, monkeys and more

We'll spend the morning at Collpa Chunchu, the biggest macaw clay lick in the world! Up to 100 big, clever, guacamayos (macaws) congregate here each morning, eating clay which provides nutrients they can't get anywhere else. Along the way there and back, there's a good chance we'll spot sloths and monkeys going about their morning business.

After lunch at the lodge, we'll hike (about 1.5 hours) to an oxbow lake, where we'll paddle around spotting dozens of different bird species in the shallows, troops of monkeys on the lakeshore, and flocks of red-bellied macaws in the flooded palm forest.

Both tonight and tomorrow, optional guided night hikes give you the opportunity to spot tapirs, night monkeys and tarantulas, and to sink into the incredible soundtrack of the jungle after dark.

**Accommodation:** Remote lodge in the Amazon jungle

**Meals:** All meals included

### Day 3: Piranhas and kayaking

This morning we'll journey by land and water to Tres Chimbadas Lake, where we'll have as good a chance as anywhere in the world of spotting two elusive giants – our guests often spot both giant river otters and giant anacondas here! If you like, you can fish for piranha from the boat, and our cooks back at the lodge are happy to fry up your carnivorous catch for lunch!

This afternoon we'll paddle kayaks on a safe, calm section of the Tambopata River – a great way to cool off from the jungle heat. Tonight's optional night hike gives you a last opportunity to spot tapirs, caimans, night monkeys and tarantulas.

**Accommodation:** Remote lodge in the Amazon jungle

**Meals:** All meals included

### Day 4 Departure day

Today we'll retrace our journey back to Puerto Maldonado airport. It's a good idea to book your flight out for the afternoon, so as not to have to get up too early. If you would like assistance with your domestic flights or other onward arrangements, we'd be more than happy to help!

**Meals:** Breakfast included

### What's included:

- All accommodation (*based on twin-share. Single Supplement available for US\$250pp*)
- All transport including pick up from and drop off to Puerto Maldonado airport
- All activities specified in itinerary
- Dedicated jungle specialist guide
- Entrance to all attractions specified in itinerary
- All meals as specified (*three breakfasts, three lunches, three dinners*)
- Drinking water

### What's not included:

- Tips for your guides
- Flights to start and from end of trip

### Accommodations:

In the Amazon Jungle, we stay in airy bungalows at a remote jungle lodge. These are comfortable but not luxurious. You'll have a private bathroom for sure, and probably hot water... but you'll need to live without wi-fi! We will do everything we can to accommodate rooming preferences, but please note double beds are not always available.
